Dear stakeholders, parents, and friends of Die Wilge High School,

I am honoured to showcase a year filled with remarkable achievements and growth in academics, sports, culture, and fundraising. As we reflect on the past year, we are thrilled to share the highlights of our school's journey towards excellence.

1. School Overview

Die Wilge High School, located in the heart of North West, is dedicated to providing quality education, fostering a nurturing environment, and empowering our students to reach new heights. With a committed staff, involved parents, and a supportive School Governing Body, our school continues to make strides in various fields.

2. Academics

Academic Excellence

In 2023, our learners demonstrated exceptional talent and dedication in various academic pursuits. Our workshops and Girls Centrums have become centres of creativity, nurturing skills that will undoubtedly serve them well in the future. These achievements were made possible through the dedication of our teachers and the provision of well-equipped classrooms that offer an ideal learning environment.

Creative Hubs

Our workshops and Girls Centrums have been instrumental in nurturing creative talents among our learners. These hubs have provided opportunities for students to explore their artistic potential, encouraging innovation and self-expression.

Learning Environment

Die Wilge High School takes pride in providing a conducive and technologically advanced learning environment. Our well-equipped classrooms and resources ensure that students have the tools they need to succeed academically.

Professional Development

Our dedicated staff continually attended workshops and professional development sessions to enhance their teaching methodologies and expertise. We believe in fostering a culture of lifelong learning among our educators, as it directly benefits our students.

3. Sports

Die Wilge High School had a stellar year in the realm of sports, with achievements in various disciplines.

Rugby Achievements

Our Rugby team secured victory in the North Vaal High School Rugby tournament, displaying skill, teamwork, and determination. Eight of our talented boys earned their spots on the Leopards Rugby Team, a testament to their exceptional abilities and hard work.

Soccer Triumphs

In soccer, our teams celebrated triumph by winning the u/15 Boys North Vaal championships, while the First Team Girls Soccer clinched victory in the North Vaal soccer tournament. The prospect of 2 boys and 2 girls being included in the South African National Team further highlights our excellence in this sport.

Cricket Excellence

Die Wilge High School had the privilege of having three players represent the North West Dragons team at the provincial level. Notably, one of our former cricketers now plays for the Dragons Senior second team, illustrating the lasting impact of our cricket program.

Athletics and Cross Country Success

Our athletes shone at the South African National Championships and the National Cross Country event, earning Gold, Silver, and Bronze medals. These achievements exemplify the dedication and discipline of our student-athletes.

Netball Achievements

Our netball teams (u/15 and u/16) claimed victory in the North West League, with the First Team netball securing second place in North West. The participation of our First Team in the DSTV Schools Netball challenge even brought them on television. Furthermore, the initiation of our netball day, involving 8 schools, marked a great success in 2023.

4. Culture

Cultural activities at Die Wilge High School received well-deserved recognition.

Wind-Ensemble's Triple Gold

Our Wind-Ensemble achieved the prestigious Triple Gold and their performance was recorded in a studio, making it accessible to a wider audience through our social media channels.

Notable Achievements in Cultural Activities

Our school's cultural groups excelled in various activities. Street Dance, Poetry, Reading, and Gumboots secured Triple Gold.

The Singing group, Visual Arts, Mime, and Public Speaking achieved a well-deserved Double Gold, and our Dance group was awarded Gold for their exceptional performances.

5. Fundraising

Our annual fundraising event, the Golf Day at Potchefstroom Country Club, was a resounding success, thanks to the active involvement of our dedicated educators. This event, which underlines the importance of community support, contributes to the betterment of our school.

6. Conclusion

In summary, Die Wilge High School has demonstrated excellence across academics, sports, culture, and fundraising. Our learners have embarked on journeys of self-discovery and achievement, covering a distance of more than 12,000 kilometers within a year - equivalent to a journey to China. We extend our heartfelt gratitude to the School Governing Body for their unwavering support, to the parents who entrust us with their children's education, and to our hostel staff for their essential role in providing food parcels. Special thanks to our dedicated educators for sacrificing their time, even during school holidays, to accompany our students in their diverse activities throughout the year.

The achievements of our learners are a testament to their hard work, dedication, and the nurturing environment we provide at Die Wilge High School. We look forward to another year of growth and success, building on the strong foundation that has been laid. Thank you for being an essential part of our journey towards excellence. Together, we will continue to inspire and empower our students to reach new heights.

Do you believe that there is light at the end of your Year 4 tunnel?

Of course, I believe that!

I believe this with all my heart and mind, but I am also sober enough to know that the light isn't just going to shine so bright tomorrow that I have to wear sunglasses!

Claude Moller once said: it is better to light the candle than to curse the darkness

If you feel like the pressure of next year is just getting too much and the light is shining dimmer, I would like to suggest the following.

Go and stand in front of the mirror and get the bigger picture of what you are getting into. Stand still. Do not fidget or be self-conscious. Close your eyes and forget about everything.

Remember these words from Philippians 4:13
“I can do all things through Christ who strengthens me.”

Yes, you are going to get tired and irritated. You are going to have doubts sometimes. You are going to think you are not being paid enough, but remember to whose glory you are doing it.

Ok, open your eyes, now you are ready!
Put on your sunglasses and get ready to enter the world.

And if people ask you why you are wearing sunglasses, you tell them...
the future shines so bright that I have to wear sunglasses!
